

Twinsburg
Garden Club

Organized & Federated in 1963

The Twinsburg Garden Club is a non-profit organization dedicated to preserving the love and beauty of nature in the community, state, and nation.

Members from Twinsburg and the surrounding communities enjoy gardening and have an interest in expanding their knowledge. Monthly meetings feature guest speakers who share their expertise through talks and presentations. Topics include perennials, native plants, pruning, landscaping, flower arranging, and hands-on projects. Field trips take us to public gardens and nature areas.

The Garden Club makes financial contributions to scholarships for college-bound students, to nature conservation and preservation programs, and community organizations.

Local civic projects include involvement with various Twinsburg public gardens, making evergreen swags to decorate city street signs at Christmas, and educational programs. The Club awards a "Garden of the Year" plaque to a resident. The Garden Club's major fundraiser is the annual May Plant Sale featuring perennials from members' gardens and well-priced annuals.

Club meetings are held the second Thursday of every month, except January and November, at 6:30pm. Location is Twinsburg Community Center, 10260 Ravenna Road, unless otherwise indicated on our website. New members and guests are always welcome.

The annual dues of \$ 25.00 include a subscription to the Garden Greetings magazine, published by The Garden Club of Ohio, plus the Club's monthly newsletter.
